TRAINING AND WORK EXPERIENCE

EXTENDRUM TECHNOLOGIES, PORTLAND OR US

Power BI Developer | Feb 2020 - Mar 2022

Hybrid Working at Office in Anand, Gujarat, India

- Power BI Report development.
- Building Analysis Services reporting models.
- Developing visual reports, KPI scorecards, and dashboards using Power BI desktop.
- Connecting data sources, importing data, and transforming data for Business intelligence.
- Analytical thinking for translating data into informative reports and visuals.
- Capable of implementing row-level security on data along with an understanding of application security layer models in Power BI.
- Have an edge over making DAX queries in Power BI desktop.
- Expert in using advanced-level calculations on the data set.
- Responsible for design methodology and project documentaries.
- Able to develop tabular and multidimensional models that are compatible with data warehouse standards.
- Very good communication skills, able to discuss the requirements effectively with the client teams, and with internal teams.

CISCO, NORTH SYDNEY AU

MentorMe | Jul 2018 - Oct 2018

- MentorMe is the cornerstone of Cisco's AUSTEM2020 mentoring commitment to inspire female students to pursue careers in IT. Mentees are exposed to the breadth of opportunity that exists in the industry to prepare them for entering the workforce and to build their personal brand. They are paired with a Cisco mentor and attend weekly sessions.

HONORS & AWARDS

- UTS BUILD Program
(Beyond UTS International Leadership Development)
UTS BUILD (Beyond UTS International Leadership Development) is an extra-curricular global leadership program covering topics in global citizenship, intercultural understanding, global issues and community engagement. BUILD develops global leadership attributes through workshops, events, seminars, community activities and endorsed elective global immersion experiences.
- UTS Accomplish Awards (Platinum Level)
The participants complete workshops on resume writing, interview techniques, networking, self-marketing and communications as well as 100 hours of employment activities, including paid work, internships and volunteering.
- Print and Publishing Specialist
Arena's Print & Publishing course trained me in design and visualisation fundamentals, graphics and illustration fundamentals, typography techniques, illustration for print, creating artworks, and designing for print & advertising. A design destined for print demands certain specifications to ensure the highest quality & perfection.
